Dedicated to Mr. Fleming

"The highest form of flattery and acknowledgement of one's profession is the dedication of something in his name after he has departed.

Mr. Paul Fleming dedicated many years of his professional life to Wilmington High School. He said many times 'there is no higher calling than teaching young people.' He truly believed this and devoted himself to the students and the school.

He will probably be most remembered for his lighter intercom announcements, including his recipe for cherry pie and his famous apple picking farms.

On a more serious note, he truly believed that each student had potential and always acknowledged individual and team accomplishments in the classroom and on the playing fields."

Mr. Woods

"Mr. Fleming will always be remembered here at Wilmington High School. His presence has left a lasting impression on all who have come in contact with him. WHS will not be quite the same without those numerous random announcements of encouragement and support for 'The Little School on Church Street.' Mr. Fleming will definitely be missed, but we wish him the best in all his future endeavors."

Sophia Martinos

"Mr. Fleming will be remembered at WHS for his boundless faith in his students and staff and his enthusiasm for education."

Mrs. Shea

"In the three years I knew him for, he was one of the only people who supported me in everything I did."

Nick Pavlidis

"One of the finest American principals."

Steve Kosmidis

"The Little School on Church Street hasn't been the same since he left. I don't think the town can find another principal with as much enthusiasm and school spirit as Paul T. had."

Melissa Kanter

"Mr. Fleming was a wonderful principal who always made time for all his students."

Dawn Redmond

"He has always been very sincere with his feelings towards the students"

Mrs. King

"He is very supportive and caring."

Alison Colclough

In Memory of Mr. Olsson

"A kind and caring individual," was the response from all of the students and faculty at Wilmington High when asked about Carl Olsson. As one of Wilmington High School's most beloved teachers, Carl Olsson has had such an effect on both teachers and students that the school population clearly envisions the life of Olsson rather than dwell on the death of this superb educator.

Carl Olsson is remembered as a man who was totally dedicated to the education of both Wilmington students as well as Chelmsford students. In Wilmington, he was the Social Studies Department Head and was a teacher for twenty-seven years. In Chelmsford, where he resided, he was a family man with two children. He was dedicated to Chelmsford education and served several years on the Chelmsford School Committee. In Chelmsford, the sense of loss is still present. Olsson was venerated in Chelmsford and enjoyed his students.

"He [Olsson] had a great sense of ethics," Lawrence Maggio, a Wilmington High School U.S. History and Psychology teacher and friend of Olsson's, said. "He was a gentleman with everyone. He was very unassuming with his accomplishments and was humble," Maggio eulogized.

Abigail Russell, who worked with Olsson for 13 years, remembers him as a "caring and concerned person who carried that over to the classroom." She also went on to add that he took time to listen carefully to his students. He also shared his ideas for making classes more interesting with the rest of the Social Studies Department.

Wilmington high students remember Olsson as a respectful and respected individual who had many ideas for making what could be boring classes, into places where creativity and excitement were always present.

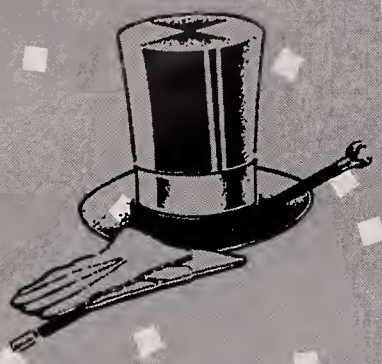
Junior Prom King and Queen: Eric Morin and Kristen Butler looking "Wonderful Tonight"



Josh shows his stuff while Fatima and her date take a break.

As the lady in red receives her flowers from Mr. Fleming, black and white seem to be the favorite colors for these three.

Liz with her date, Stacey with her date, and Elaine and Farren smile for the camera.

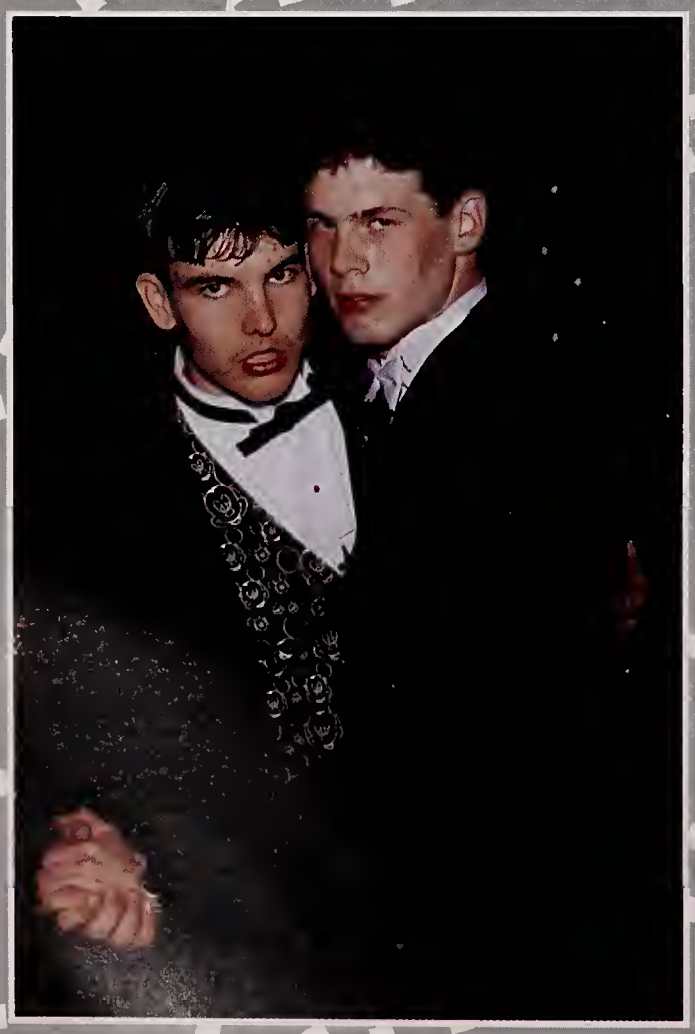
Don't we look wonderful tonight?

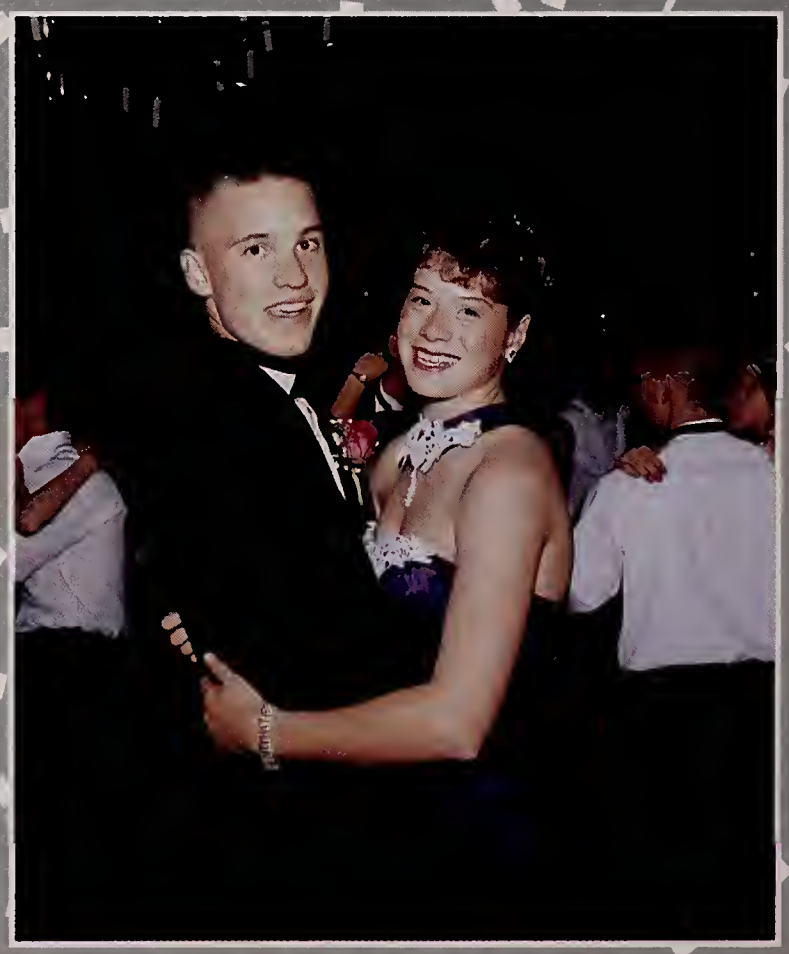
Lets see those pearly whites.

Get closer, it's group picture time.

At this jr. prom people just wanted to have fun and dance.

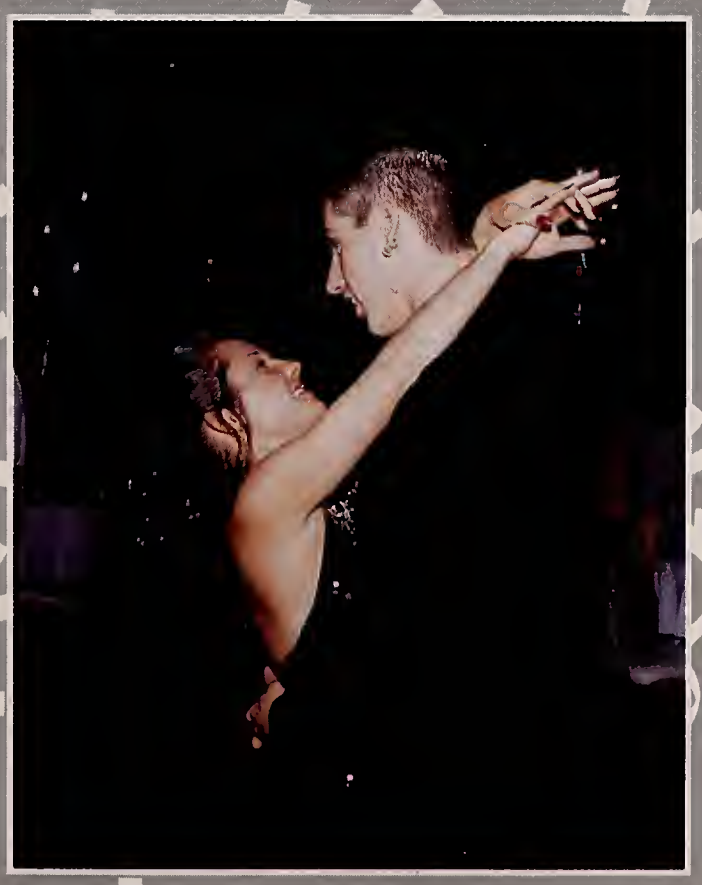
Some dances shown are the Locomotion, Twist and Shout, the Tango, and the classic slow dance.





When the fast dances stopped, the music slowed down and the couples were caught.

Some couples smiled for the camera and some couples kept on dancing.



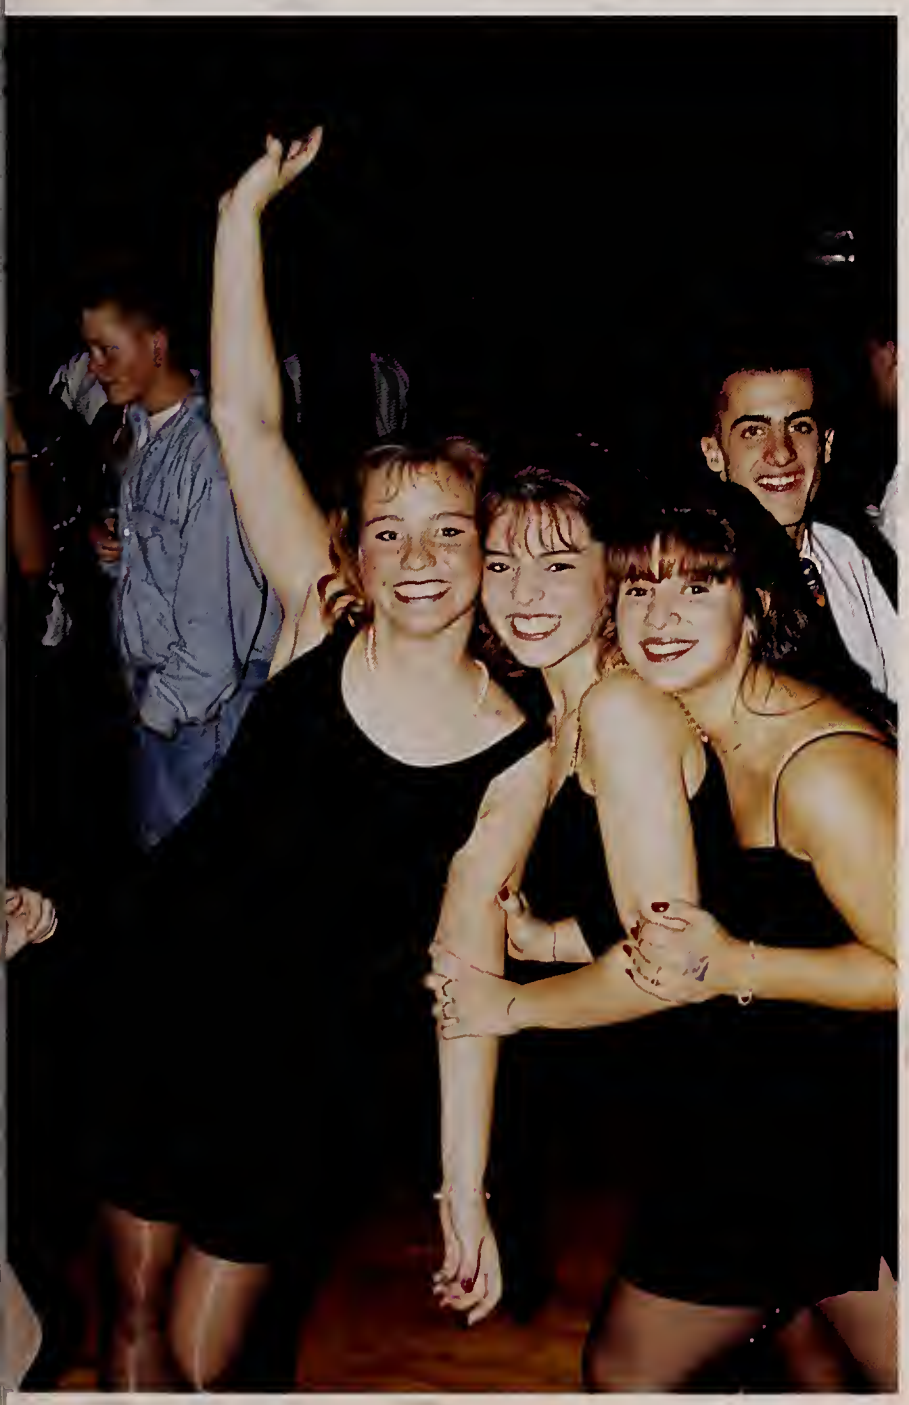
Homecoming of 1995

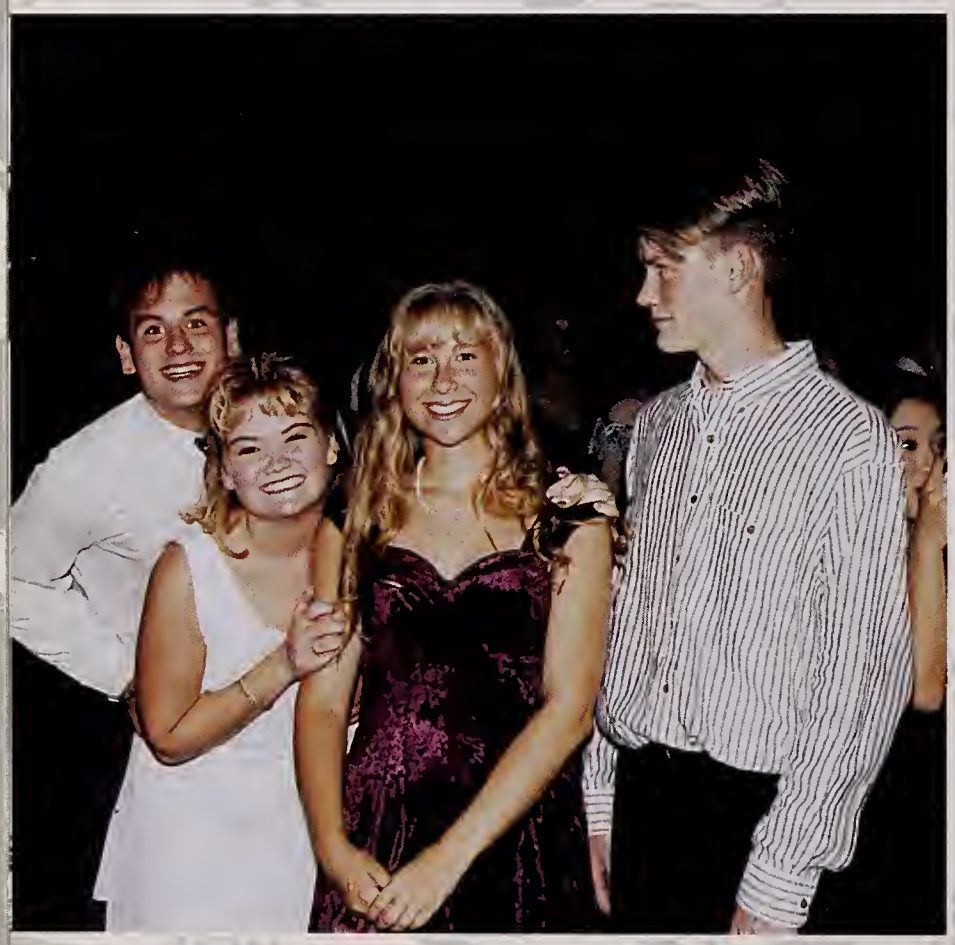
Homecoming Court, Katy Senesi, Dave Bennett, Nicole Dussault, Darren Bishop, Jenn Carr, Queen Amanda Zaya, King Steve Kosmidis, Pat Finn, Rachel Turesky, Ryan Rappoli, Janette Trickett, Charlie Ross, Val Doyon, Tom Burke

Queen Amanda receives her crown and King Steve receives his boutinere.

Cute couple Steve and Melanie smile for a picture.

While Keri, Sheila, and Kristina strike a pose, Nick and his date are saving their energy for the next dance.





At homecoming there was a wide range of attire modeled. Kym and Elise chose to go comfortable and wore their pajamas. While the other two couples chose to dress up for the occasion.

Dear Seniors:

I have known most of you both as teacher and administrator. The past four years have brought change, as well as academic and social growth for all of you. Use this occasion of your graduation to look to the future with excitement and strive to achieve your dreams and aspirations. You alone possess the key to success. Hold close the joy of learning, for it is this one skill that will carry you through life's journey. Look at your graduation not as an end, but as a new beginning.

Best wishes and good luck,
Michael Nee

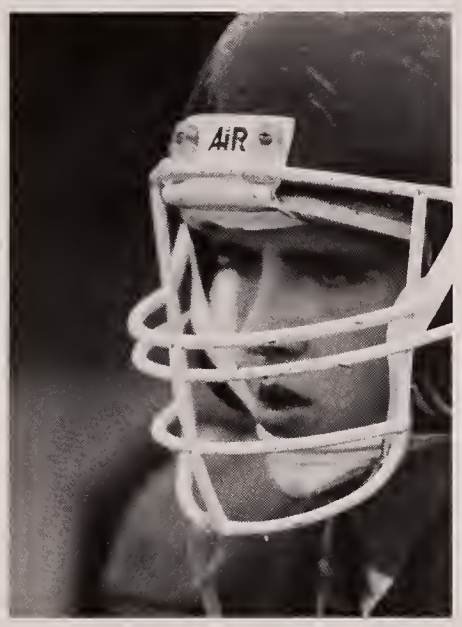
Sports

TOUCHDOWN!

The Wildcat Football team faced many changes going into the Cape Ann League in the 1995 season. The team and coaching staff came with a new attitude. Gerry Sullivan is the head coach followed by Bob Scaccia, Chuck Carucci, and Rob Patterson.

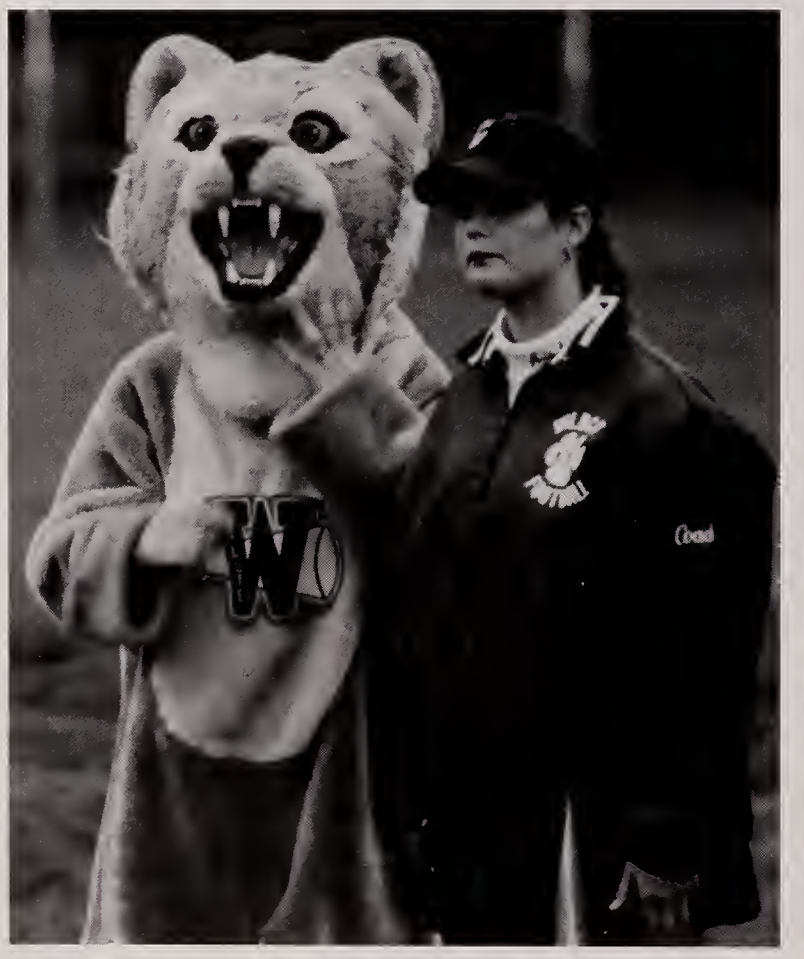


Football

The team was led by Captains Tom Burke and Pat Finn. Other seniors on the team were Josh Cormier, Brian Carroll, Dave DiPasquale, Steve Ritucci, and Mike Caira. The team played well in the new league with some upsetting losses and some big wins. With one game left going into Thanksgiving the 3-6 Wildcats were looking to play hard and win the last Wilmington - Tewksbury game ever to be played. The team would like to thank the fans for their support. Also thanks to the great coaching staff.

Peter Vachon, Brian Thresher, Dave Diamato, Danny Bonnell, Rob Patterson, Jim O'Donnell, Matt Senesi, Kevin Finerty, Rory Ballou, Pat O'Toole, Dick Gillis, Jamie Campell, Matt Haskamp, Mike O'Toole, Sean Kerrigan, Scott Hubby, Mickey Maroney, Bob Scatcher, Jerry Sullivan, Chuck Carucci, Adam Vogel, Mike Genetti, Kenny Branley, John Aprile, Andy Falanga, Ryan Harrison, Sean Sullivan, Tim Gillis, Bill Harrison, Brian Shea, Ben Kusa, Brian Carroll, Josh Cormier, Pat Finn, Tom Burke, Steve Ritucci, Mike Caira, Dave Dipasquale, Bob Jones.

Football Cheerleading



Go! Fight! Win! Yeah!

Captains Becky Reeder and Janette Trickett keep the football fans cheering.

Golf

The Golf team had a great year. Coached by Mr. Fessenden, these Wildcats went to the state championship for the first time in twelve years. Moving into the Cape Ann league was tough because no one knew what to expect from the opposing towns. Still, a strong and solid team of dedicated golfers worked their way to an 8 win and 5 loss record. The top five golfers on the team and their records were Captain and Senior Bill Dineen (10-3-0), Juniors Rob Torrani (8-3-2), Ryan Haubner (8-5-0), Mike Wolley (1-4-2), and Freshman Dave Senarian (6-6-1). Other important players were Kurt Anderson, Kevin Considine, Pete Grasso, Sean Haubner, and Shaun Neville.

Seniors on the volleyball team this year were Captains Lisa Timulty and Julie Conchiglia, Cara Hendricks, Jaclyn Harrison, Fatima Tavares, Valerie Doyon, and Kristin Roache.

Boys' Soccer

Punt! Kick! Score!

Our record was 5-11-2. It was a tough experience moving into the Cape Ann League from the Merrimack Valley Conference, not being familar with the teams there. With the loss of Joe Bamberg, one of the best goalies in the league, we were left without an experienced goalie. Darren Bishop stepped in and did a great job. Senior captains Doug Olender, Steve Kosmidis, and and Eric Jones did a great job keeping the team together. Seniors Dave Bennet, Kevin Kacamburas and Danny King all had solid seasons. The team's future looks bright with players Chris Kilburn, Scottie Swiezynski, Jeff Arciero, Tom Heigham, and Tom Casella. Darren Bishop, Steve Kosmidis, and Doug Olender were selected to the CAL all-stars.

Coach Scanlon, Greg Olender, Dave Bennet, Dennis Ingram, Scott Swiezynski, Darren Bishop, Steve Kosmidis, Eric Jones, Chris DiJulia, Shaun Cahill, Tom Heigham, Kevin Kacamburas, Bill Covino, Justin Valis, Dave Ward, Dan King, Chris Kilurn, Jeff Arciero, Mark DiGiovani, Dan Sweet

Missing from the picture is Kara Irving.

Pass! Kick! Score!

We had a tough first season in the Cape Ann League. We were a young team but had a lot of leadership from the seniors. The seniors were Captains Karen DeFrancesco and Nicole Dussault, Renee Vachon, Elaine Bruno, Cindy Oatis, Joan DeMarco, and Charise Thresher. Even though we had a hard season there was a lot of dedication from the entire team. The season was a rebuilding year for the team but the younger kids showed great determination.

Cross Country

Run! Sprint! Win!

The Wilmington High School Cross Country team had a good year despite having a young team. They went 2-7 overall in their first year as a CAL league team. We had three seniors: Captains Stephen Marchillo, Tim Peterson, and Nate Censullo. We lost four of our seven starters last year which made our season very tough. Look for the cross-country team in the near future because they will retain 5 freshman, 2 sophomores, and 3 juniors. Nate Rules!

Wrestling

The 1996 Wilmington High School Wrestling team was led by Captains Bill Tate and Mike O'Toole. The returning varsity juniors, Mike Shelly, Rob Torrani, and Tom Casella had a great season. Sophomores Jamie Campbell, Dan Bonnell and Shawn Sullivan were a great help to the team. First timers Shawn Decoste, Dave DiPasquale and Faron Young improved steadily throughout the season. The class of 1999 made the biggest mark with ten wrestlers.

Field Hockey

This year was an exciting year for us. We had a new coach and very young team. The young team consisted of Captain Leanne Harris, Jen Mullins, Julie Gillis, Christina Peters, Deana Ward, Paula DeCourcey, Suzanne Williams, Nicole Catanzano, Leanne Bento, Christine Crowley, Jodi MacKenzie, Catherine Townsend, Katie Gillis, Tricia Kane, Karen MacGarther, and Julie Yentile. The coaching staff was made up of Maureen Noone and MaryAnn Gillis and volunteer Mrs. Townsend. The field hockey team made it to the tournament but lost in the first round to Tyngsboro 1-0. The team would like to thank everyone for the support that they received throughout the year.

Hockey

In the past, the Wilmington High School hockey team has struggled. However, over the past several years the program has grown progressively better. Last year was the first time in several years that the team had taken part in the state tournament.

This year, with the entrance into the Cape Ann League, the team has been able to excel. As of January 24 the team's record was 8 and 2. Qualification for the tournament occurs after 10 wins, and it appears as though the team will more than just qualify this year. This team looks to be competitive in the tournament, and a successful season looks promising.

Boys' Basketball

The basketball team had one of its best seasons ever. With five games left, the Cats have already qualified for the tournament, with a 10-5 record. The team is led with strong performances from senoirs Olender, leading the league in scoring, Carroll, Eldridge, Kosmidis, Caira, and King. The team got off to a 6-0 start with two big wins coming in the Christmas Tourney. Bates played well and was named to the All Tournament Team. The teams great play was due in a large part to the guard combinations of Clancy, Gargan and Kilburn, Arciero who were able to pick the team up with their outside shooting. Another standout for the team was sophomore Sweizinski (23 points against Georgetown) who started all season long. Although the Cats lost two in a row, a tough game to Lawrence and the triple overtime loss to Masco to fall to 8-5, they rebounded with strong play from fowards Thresher and Gillis to beat North Reading and Rockport and qualify for the postseason. The Cats hope to finish strong and play well in the Division III Tourney.

Girls' Basketball

Basketball Cheerleaders

Now that we have entered the Cape Ann League, the basketball cheerleaders are required to go into competition. We have eight new cheerleaders, along with six from last year, who have all worked hard to prepare for competition. Hopefully we will do well throughout the season and at competition, but all that matters is that we have fun.

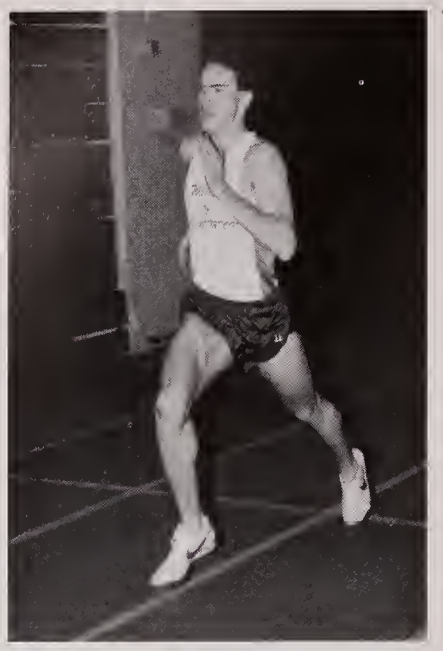
Gymnastics

The 1996 WHS gymnastics team had ten talented freshman join the already talented and enthusiastic team. We seniors would like to thank our two coaches for their dedication to the team and for always keeping us smiling.

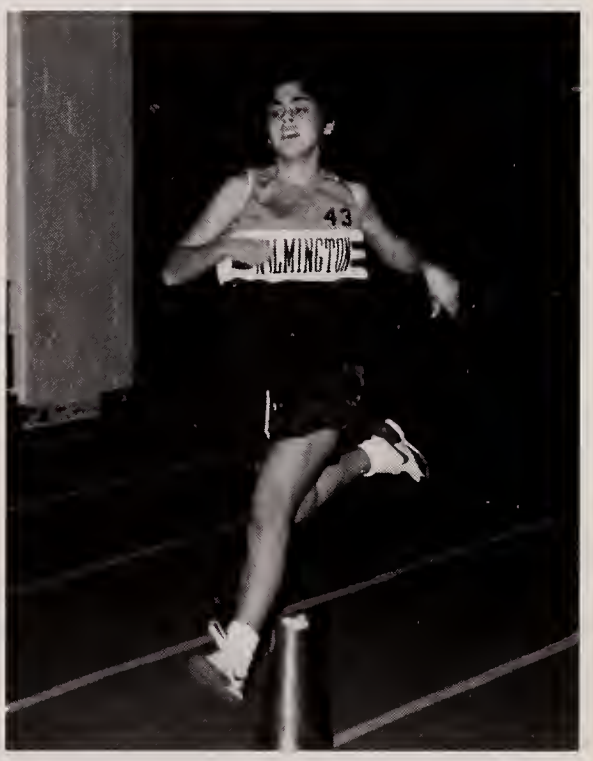
Senior Co-Captains Kym Tarr and Heather Smith. We did our best and would like to say good luck to next years team.

Coach Lisa Petrizzi, Nicole Catanzano, Lisa Haugh, Kym Tarr, Heather Smith, Meghan Gaudett, Nicole Schell, Jen Bruce, Coach Michelle Gillis, LeAnne Reardon, Amy Downs, Doria Maselli, Angela Zammuto, Charlene Tamillo, Jen DeSimone, Jamie Elliott, Rebecca Barron, Kerri French, Katey Sullivan, Jessica Silverstein, Lauren Holloway, Michelle Niestepski, Terri Laquidara, Kristen Tabron.

Track Team



Track Team



The 1995-96 WHS Wildcat Track Team is looking strong with Senior Co-Captains Kevin Kacamburas and Greg Young leading the way. Kevin is a state-wide competitor in the 300yd and Young is nationally ranked in the 600yd. The mile relay is another strong event for Wilmington this year with Senior Tim Peterson and Junior Mike Sweet joining Kacamburas and Young. Junior Jeremy Rufo is doing a great job battling out the mile with rival schools in the Cape Ann and Merrimack Valley Leagues, along with other team members John Williams, Keith McLaren, and Chris Raetano (all shotput), and Rory Ballou (300yd). Senior Steve Marchillo is the top Wildcat in the two mile; and keep your eye on Chris Ferraro and Dan Sweet on the hurdles. The young Wildcat team, coached by Mr. Cripps, had their first victory in CAL against N. Andover and is headed for many more.

For one full semester two days a week nine students were chosen to "shadow" a Winchester Hospital staff member in order to experience the realities of a medical career. Each student was assigned to a faculty advisor who met with his student once a week to review what was done during the previous week. According to those involved, "It was a positive and rewarding experience."

Jennifer Mullins

Founded in 1921, the National Honor Society was created to recognize excellence in academic scholarship, leadership, service, and character. To be eligible for membership in the WHS Chapter, candidates must first qualify academically by achieving a cumulative average of at least 88 since Freshman year (Physical Education grades are not included). This average is weighted by assigning one quarter of a point to each Level Four academic class.

Students who meet the scholastic requirement are then eligible for consideration on the basis of service, leadership, and character. Specific guidelines for these three qualities are determined by the NHS By-Laws which require members to "hold school offices or positions of responsibility, to promote and to participate in extra-curricular activities and competitions, to volunteer in the community, to demonstrate the highest standards of honesty, reliability, courtesy, and punctuality, to comply with all school regulations, and to consistently uphold principles of morality and ethics". In order to verify leadership and service, eligible students must complete an Activity Information Form which requires the signatures of advisors and coaches and also submit a letter describing their community volunteer work. The number of hours spent in each activity/service is considered as well as the student's leadership role and commitment. Character is measured in terms of behavior, integrity, cooperation, and teacher recommendations.

Membership, however, is much more than an honor. It carries with it a responsibilty and an obligation not only to strive for excellence, but also to demonstrate that you were really worthy of selection.

Over the weekend they will participate in family events with their American partners. Business as Usual

In a quiet but interactive manner, students in the Office of the 90's class act as managers of their own company. The center of the operation is Mean Jeans Manufacturing Company. Every detail of each business such as maintaining cash records, sales records, and doing business with the other managers of the Pettisville community is controlled by the students. Within thePettisville community, there are businesses such as the Pettisville Post Office, the Pettisville Bank, and the Daily News that are all needed to survive in the business world.

During the month of November, several activities occurred within the community. First, there was a grand opening that took place on November 15. The managers advertised and decorated their businesses for this special occasion, and a plant was sent by the Board of Directors to wish us good luck. During this event each manager was formally introduced, and a presentation was given by each to explain the basic services of his or her company. Ideas and plans were also discussed as to how to make each business a success.

It's fun, and we learn skills that will help in our personal lives and our future careers.

Another event that started in November was the "Manager of the Month." A manager was chosen each month, and a picture was posted to acknowledge his/her hard work and contribution to the community.

This is primarily a junior and senior course which attracts both males and females. Throughout the year, the managers hold business meetings, seminars, workshops, meet deadlines, and last but not least, conduct "business as usual." It's fun, and we learn skills that will help in our personal lives and our future careers.

Science

For the first time, Wilmington High School Students had the chance to participate in the U.S. First Competition, a national creative engineering contest featuring school, business, and university partnerships. The purpose of this program is to bring together the nation's leading companies and universities in a united effort to win over young minds to the wonders of science and technology. The students will team up with professional engineers in efforts to build a "champion robot", after which they will compete in tournaments complete with referees, cheerleaders and time clocks.

This is the first time in a long time that the high school has offered a course like this. We have learned public speaking skills such as ennunciation, poise, and posture. As a class we have put on a lip synch performance for our friends. Currently we are doing individual performances, and we are looking forward to putting on a play near the end of the year for the public.

Shriners in Wilmington Caring for Children

How This Picture Came To Be

Once upon a time a little girl with cerebral palsy, a patient at the Shriners Hospital in St. Louis, went to a picnic held by Hadi Temple in Evansville, Indiana. At the end of the day, the little girl had trouble crossing the gravel to leave, and Shriner Al Hortman picked her up and carried her to the car. A nearby newspaper photographer happened to point his camera in their direction after they had passed, and he snapped a quick photo, the last one on his roll of film.

The rest is history. Since the picnic that day, Bobbi Jo Wright and Albert Hortman have become widely recognized as the subjects of the photo known as the "Editorial Without Words". Depicting Hortman as he carries Bobbi Joe and her tiny crutches, the photo has come to serve as a symbol of commitment of the Shrine and its philanthropy, Shriners Hospital.

Senior Co-Captains Danny King and Kosta Radosauljevic led the WHS tennis team to the states for the second straight year with a match record of 8-8. King, Tom Perreault, and Keith McLaren came away with many victories in singles play this year. The first doubles tandem of Mike Gargan and Marc Merriman also came away with key victories for the wildcats in our inaugural season in the Cape Ann League. Kosta led a group of sophomores (too numerous to mention) while playing an excellent group of matches at second doubles. We all thank Coach Tammaro for the great coaching and the multiple Brother's runs.

Class History

In September of 1992, the class of '96 entered the high school amidst a lot of controversy. The little school on Church Street was suddenly famous . . . I mean notorious. Our first football game was quite interesting-since when do fans carry broomsticks? Despite everything, the field hockey and soccer teams made it to the state tournaments. During this time we elected Darren Bishop to be our president; Stacy Palizzolo, Vice President; Tracy Reitchel, Secretary; and Nick Pavlidis, Treasurer. The country also elected a new president, Hillary . . . I mean Bill Clinton. The World Trade Center was bombed, the Midwest flooded, and David Koresh discovered that he really wasn't God. Due to the great amount of school spirit that we, as a class, have, most of us, oh, that was the Seniors, well many of us...uh that was the Juniors, well some of us participated in the first annual Church Street Challenge. There's a picture to prove that Nick did at least. Nice Dress!

Sophomore year began with Mr. DeMarco continuing as our advisor. Darren and Nick also continued in their offices with Elise Boisvert as Secretary and Charlie Ross as Vice President. We were stunned by Reggie Lewis' death and Michael Jordan's retirement from basketball. Some random, or not so random, acts of violence left an Olympic team member wailing "Why me?", along with John Wayne Bobbit's, "Where's me?". And closer to home we attended the Sophomore Semiformal at the Sons of Italy. Mr. Kelly retired to "Hunt Wabbit's." The entire school was saddened by the loss of Mr. Roger Breakey. Field hockey, boys' and girls' soccer, and girls' basketball all made it to the state tournament. For the second consecutive year the softball team won the MVC championship and the state tournament. And the trusty Wilmington SWAT team broke up a little, shall we say, get together, held by a certain class officer on Salem Street.

Junior year began earlier than most, because it began in the middle of the summer, August actually. We returned with Darren as our President; Dave Bennett as our newly elected Vice President; Elise as Secretary; and Nick as Treasurer. We bid farewell to Mr. DeMarco and welcomed Mrs. Bertini as our new class advisor. This, however, was cut short due to a lack of time (there were a few too many obligations at Woburn District Court). Again the sports teams were successful in their last year in the Merrimack Valley Conference, well, with a few minor exceptions. We watched our last sports events in the Boston Garden, Oklahoma was bombed, and a certain infamous trial began with Mr. Shapiro at the helm, rallying support for the Juice. Our prom was held, in keeping with tradition, at the Hillview Country Club in North Reading. We danced the night away with Eric Morin as our king and much happiness was felt by all with the selection of a sophomore as our queen.

Senior year began on August 28, 1995 and continued until June 3, 1996 with a common theme, "We get the shaft!" We saw many changes. Mr. Wood became our fifth, that's right, fifth advisor. We regrettably said goodbye to Mr. Fleming. Mr. Woods became acting principal for the remainder of the year. We mourned the death of Mr. Olsson. Huddled like cave men around a fire, the whole school gathered in the library to view the O.J. verdict, (we still think he did it). We began our first year in the Cape Ann League. Wasn't this move supposed to help the football team? Oh well. We quickly took over the senior lounge only to have it closed, reopened, closed and reopened and somewhere in there monkeys from the hit film *Jumanji* were seen hanging from the ceiling. Our class officers remained the same with the addition of Rachel Turesky as Co-Secretary. We voted Amanda Zaya and Steve Kosmidis, Homecoming Queen and King. A senior-sponsored dance went over really well when someone thought his car was a ride on lawnmower, and a few too many class officers and their friends reportedly had, well, a few too many. Our 96 Day Party was a great success, all forty people that showed up thought so anyway. In the spring we attended the annual AP English Play, no wait, that was taken away from us, but we all showed up for the Senior Rally, no, that was taken away from us too. We attended the Senior Prom on May 10 at the Omni Parker House in Boston. Charisse was queen, Charlie was king, and Tom served his drink of choice, and, well, at least he got his pictures taken. Our Senior Banquet was held on June 4 in the cafeteria, and as for the Senior Olympics, Long Live Bumblebee Tuna! Scholarship night took place on June 7, and graduation (THANK GOD), no the real one, took place on Sunday, June 9, 1996.
